Re: United States v. James Young  
Criminal Docket No. 23-475 (DLI)

Dear Judge Irizarry:

The government respectfully submits this letter to inform the Court that the defendant was discharged from Windsor Nursing Home ("Windsor") and returned to the custody of the MDC at approximately 7:00 p.m. this evening.

The government learned of this information from the United States Marshals Service ("USMS") this evening shortly after the defendant had been taken into MDC custody. According to the USMS, the USMS informed the government and defense counsel of the defendant's discharge as soon as the USMS had learned of the discharge from Windsor. The undersigned has therefore contacted Windsor and MDC counsel to inquire as to the circumstances behind the defendant's discharge in light of Your Honor's December 21, 2023 standing order. See ECF No. 25.

The government will provide a further update to the Court with further information by close of business tomorrow, March 15, 2024. Alternatively, the government

respectfully proposes scheduling a status conference to understand the circumstances that led to the defendant's discharge from Windsor.

Respectfully submitted,

BREON PEACE  
United States Attorney
